TASTE IT - AND EXPERIENCE THE DIFFERENCE!

ORIGINAL BIG CHIEF BEEF JERKY

"The Original" is always a favourite. The moist, rich, meat flavour makes the Original a tender, long lasting chew. This snack is made with lean cut, high quality Canadian beef mixed with a special blend of imported and natural spices to create a traditional North American jerky taste that is strongly influenced by European masters. *Try the Original once, and you'll try it again. Often!*

When you bite into Big Chief meat snacks, you taste the difference! Chewy, mouth watering, nutritional beef snacks burst with flavour from the first bite. Our jerky and beef sticks are carefully tended during the curing process to insure each portion maintains that delicious, mouth-watering, **full bodied flavour that comes only from lean cut 100% Canadian beef.**
